This would amongst others facilitate better utilization of the national resources through establishment of requisite jointness amongst the Armed Forces, ensure *inter-se* and *intra-se* prioritization of the equipment related requirements of the Services and also facilitate single point military advice being made available to the Government. As per recommendations of the GoM, the CDS will be a 4-star officer drawn from one of the three Services and shall function as the permanent Chairman of the Chiefs of Staff Committee (COSC). The recommendations of the GoM have been presented to the Prime Minister on 26.2.2001. After examination and acceptance of the Report by the Government, action as required will be taken expeditiously.
